

Court of Appeals, State of Michigan

ORDER

People of MI v Jerral Aaron People

Docket No. **356896**

LC No. **19-008777-01-FH**

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The delayed application for leave to appeal is **DISMISSED** for lack of jurisdiction because it was not filed within six months after entry of the December 5, 2019 judgment of sentence as required by the former MCR 7.205(G)(3) in force when the judgment of sentence was entered (even allowing for the tolling period previously in effect per Michigan Supreme Court Administrative Orders Numbers 2020-4 and 2020-16) and the exceptions provided by the former MCR 7.205(G)(4) are inapplicable. Alternatively, if the filing is viewed as an application for leave to appeal under the current MCR 7.205(A)(2) based on the date it was filed, then it is untimely because it was not filed within the time periods under that provision.

The motion to waive fees is **GRANTED** for this case only.
